<https://github.com/AthishRaj> | Kozhikode , Kerala

Professional Summary

Recent Computer Science graduate with hands-on experience in full-stack web development through an internship and personal projects. Proficient in **React.js**, **Next.js**, **Node.js**, **PHP**, **JavaScript**, **MySQL**, and **MongoDB**, with experience building responsive web applications, REST APIs, and real-time collaborative systems. Passionate about writing clean, maintainable code and developing user-focused solutions while continuously learning modern web technologies.

Experience

Web Developer Intern

Smartwebin | November 2025 - June 2026 | [Certificate](#)

- Developed a business website using **Next.js**, **React.js**, **PHP**, **Tailwind CSS**, and **MySQL**.
 - Built dynamic customer inquiry forms with backend validation and database integration.
 - Developed RESTful APIs for inquiry submission and retrieval.
 - Optimized SQL queries and backend logic to improve application performance.
-

Projects

CoDoco - Collaborative Document Editor

Frontend: React | **Backend:** Node.js | **Database:** MongoDB

- Implemented live document editing using Web Sockets (**Socket.IO**) to ensure multiple users can view and edit documents simultaneously with instant updates.
 - Designed a MongoDB-based system to save changes, manage document history, and prevent data loss during concurrent edits.
 - Added an in-app real-time chat system that allows collaborators to exchange messages instantly, improving teamwork and user engagement. -[github](#)
-

Skills
